

Latest News

Hi everyone and welcome to the latest issue of the Junior Newsletter. Well, the last few weeks have certainly seen some challenging conditions on the course, we have experienced extreme weather conditions, many course closures, but through all this we have still managed to get out practicing, even if it isn't on the course.

Winter Social Golf

The weather may have not been in our favour over the last couple of months but it has been great to see so much interest in the Winter Social Rounds scheduled through the winter season. It's great to see our junior section pushing on through the winter months to keep practicing and improving!

We still have 2 social rounds scheduled in the diary, these are:

- **Saturday 9th March** - Tee Times from 13:00
- **Saturday 20th April** - Tee Times from 13:00

Keep an eye out on the WhatsApp group closer to the time if you would like to play.
