Update on Catering

I am pleased to advise that the Club has agreed a franchise arrangement with new Caterers who will open their "Everest Restaurant "at St Patrick's Golf Club on Friday 27 September 2024.

Opening hours are as follows:

Winter (October to February) Monday - Tuesday **Closed**

Wednesday - Friday 4 - 9pm

Saturday - Sunday 12noon - 9pm

Summer (March to September)

Monday - Tuesday **Closed**

Wednesday 12 noon – 9.00pm

Thursday 12noon - 2.00pm and 4.00pm to 9pm

Friday - Sunday 12noon - 9 pm

Booking in advance is required as it will be important for the Caterer to have some ideas of expected numbers of diners. The Caterer will provide his own direct phone number in due course but in the meantime, please contact the bar staff to reserve a table – Tel: 44615947 ext 2. Following requests from Members, the caterer has also agreed to provide food on Wednesdays in support of the Wednesday sweep and over lunchtime on Thursdays to support the weekly lady's competition. This additional service has been specifically requested and can only continue if supported by the membership.

The present arrangements for members of having the flexibility to pay for food with their membership card will continue as before.

An initial introductory menu for the information of members is attached.

I know that you will join me in welcoming Abjan and his colleagues to St Patrick's GC and I would ask for your support in this new venture at the club.

Joe Torney

Hon Secretary

25 September 2024
