Lost Ball

It is best to play a 'provisional ball' if you think it could be lost.

If you haven't found your ball after three minutes, declare it lost and play your provisional ball.

Maintain The Pace of Play

You shouldn't rush any of your shots, but a great way to keep up a good pace is to be ready when it's your turn.

Keep up with the group in front and be prepared to play when it's your turn

Play with your own clubs

Each player must have a their own clubs and bag to play

Priority on the Course

Allow faster groups to play through if your group is holding up the group behind

Care of the Course

Help maintain the course by replacing divots, repairing ball marks on the green and raking bunkers after playing from them
