

The AIZ Essential Winter Coaching Programme

We've had a very successful 2018 season in the AIZ, with lots of winners and lots of happy golfers. It really does show that structured practise and lessons pay off.

Golfers will only improve in 2019 if they prepare, work hard and train smart over winter.
The real work starts right here, right now.

This programme is limited to 6 golfers first come first served.

Starts: 1st Nov. Ends: 31st Feb. So five months.

Cost: £240 (= £48.00 per month) paid in advance.

We'll give you better Golf, more fun and enjoyment.

We won't waste your time or money.

After the initial assessment and first lesson if you don't think that we'll be able to make enough improvement to your game, we'll give your money back and cancel the programme.

Coaching at the AIZ.

THE WAY TO A BETTER GAME.
