

CHRIS DIAMOND DESIGN

Northamptonshire based Interior Designers

New build

Project management

Space planning

Small refurbishment

Kitchens/Bathrooms

Commercial projects

Bar / Restaurants

Developments

Finishes

Soft Furnishings

Over the years CHRIS DIAMOND DESIGN have been involved with a huge range of projects big and small. Projects are tackled during inspiration from the client and the project itself. The award winning studio specialises in space planning, bespoke problem solving, ranging from small house design to full development both residential and commercial.

At CHRIS DIAMOND DESIGN we can offer everything under one roof as we believe this overall opportunity benefits are clients dealing with one team rather than separate kitchen, bathroom and furniture companies.

First consultation free of charge.
