

Growing Junior Golf - We Need Your Help

Shrewsbury Golf Club is keen to encourage more youngsters to take up the sport and ultimately to become members. This will support the longevity of our club.

England Golf and the Golf Foundation are working together to develop the game and to boost the number of girls playing golf. They have developed the programme Girls Golf Rocks which is aimed at beginner girls between the ages of 7 and 14. The programme has been developed to provide a fun, friendly and non-competitive environment in which the love of the game can be developed.

Our club has been selected to take part in the 2020 Programme and has also registered our interest in becoming an HSBC Golf Roots Centre.

This will support us in growing this wonderful sport. John and Trey will run two 6 week coaching sessions for up to 8 beginner girls between May and October.

Our Junior Golf Academy coaching sessions will run every Friday evening between April and September starting from 4pm until 6pm. In order for the Academy and the Girls Golf Rocks sessions to run as safely as possible, John, Trey and myself need help from as many members as possible.

The golf club takes protecting children in our care seriously, so to help on a regular basis, you will need to complete an online DBS (Disclosure & Barring Service) check and attend a 3 hour Safeguarding course. The Club will pay for these courses. If we there are enough helpers, it might be possible to use the golf club as the location for the course.

If you are interested in helping us grow Junior Golf at Shrewsbury Golf Club, then please email shrewsburyproshop@live.co.uk and or Tony@shrewsburygolfclub.co.uk to receive information about completing an online DBS check and attending a Safeguarding course.

I look forward to seeing you soon.

Graham Evans
Junior Golf Organiser
