### Other Competitions

#### *Annodata Round 6 by Hana*

vs. Perranporth (Away). "Sadly for our team, our journey came to the end this year and it's time to hibernate, for us busy buzzy bees after very successful journey! I like to congratulate to all of you for this fantastic achievement too make it up to the Round 6! Unfortunately today, we've played against very strong opposition on their home ground and in the "hurricane" conditions...I believe it can only make us stronger! Charlotte, Collette, Kay, Mandy and Shirley, you've played great golf through all our matches and I'm very proud of you, thank you you're fantastic. Chris, Glen, Jean R, Jenny, Jill B, Jill T, Judith, June and Nancy, thank you all for your hard work, you were amazing caddies. I like to thank you everybody who believed in our team and was supporting us all the way through this fantastic journey. I loved every minute of it and I wouldn't change anything. Luckily for us, we are not giving up and our flag will fly high again next year."

#### *Jack Clare Trophy by Jill T*

A 3&1 win for Collette and Kay in the Matchplay final. It was an excellent final in tough windy conditions. Jill B and Charlotte started strongly with some top class golf and quickly went 3 up. From the 12<sup>th</sup> hole, Kay and Collette started their determined comeback when both combined well, squaring the match by the 14<sup>th</sup> and winning on the 17<sup>th</sup>. Many thanks to Jill T for refereeing the match. Kay and Collette have now qualified to go through to the Daily Mail Foursomes next year.

#### *Coronation Foursomes*

We couldn't have been prouder of what Collette and Hana have achieved! A win on the Eden Course at St Andrews in the Grand Final of the Coronation Foursomes. Scoring an impressive 42 points saw them take the top spot and continue to fly the flag for Bude Ladies. A big congratulations to you both. The win being the first time in the history of the golf club this has been achieved. Out of the 16 entries, the pair were first out in the morning and had to wait on tenterhooks until the final pairings came into the clubhouse. The pair had trained extremely hard to get themselves motivated for this event, they were at their best and well organized, two athletes who have propelled themselves to a standard of extreme high performance.

One of their many prizes – entry into the British Open Pro-Am at Royal Troon next August. How amazing is that?

<i>CLCGA Silver Meeting</i>	44 ladies played at Trethorne on the 4 <sup>th</sup> September including Collette and Kay. The weather was good and the CSS was 73. Collette came in 2 <sup>nd</sup> place in the Scratch event with 83.

Great support from members playing, sponsoring holes, helping with the running of the day, (a special mention must be made of Barry Sykes looking resplendent as 'Starter' in his Past Captain's blazer). Good to see so many in the evening for the prize-giving, enjoying a lovely meal, and then dancing til midnight with the wonderful 'Roadkill'. Special thanks should go to all the staff of the Golf Club who contributed to making the day such a success. The indoor putting competition raised a good sum of £71 – proceeds to go to Jay's Aim – year charity for both Captains (Kay and Doug). <i>Invitation Day by Kay</i>	"The day broke with a beautiful morning, perfect to welcome our 10 visiting ladies! Travelling from as far afield as Weston Super Mare, they arrived to enjoy their playing partners' company and course in a 4BBB Full Handicap competition. Jill Tucker greeted everyone at the registration desk with a small gift from Bude and then again after the 5 <sup>th</sup> Hole where she served everyone with cordials and delicious home-baked cakes. The course surrendered up some fantastic scores on the day and James the greenkeeper had been very kind with his pin placements. The day was rounded off with a meal and presentation.
