Competition Results

Sunday 3rd Par (VL)

Seven played. Weather could have been better, but just another day at the Dentist for Hana, with an extra spring in her step, her game solid, calm and composed, and just pipping Shirley on the back 9. (Level Par) CSS 71.

Wednesday 6th Extra Stableford

A damp start but improved on the back 9 for the eight who played. Kay played a quality game of golf (38 pts) and cut her handicap to 14.8 (CSS 74). Even though she wasn't feeling 100% she ran away from the field by 6 pts. 2nd Place: Liz – 31 pts.

Sunday 10th Wenna Abbot Trophy

A good field of 14 played on a really lovely day in a 3 Clubs & Putter competition. Winner: Carol, who has been working hard on her game recently, achieved a well-earned score of 36 pts). Runner-Up: Shirley (33 pts). A lovely afternoon of fun, frolics and of course Prosecco.

Wednesday 13th Stableford

The eight ladies who played were very lucky in getting the 'job done' before the heavens opened once more, it never rains but it pours, pours, pours! Winner: Collette (36 pts). 2nd June (33 pts).

Sunday 17th EWGA Medal

Five played on a very nice autumnal day, for a change! Winner: Collette (73), 2nd: Shirley (82).

Sunday 24th Alternate Stableford

Six played. Collette came into the clubhouse with an amazing score of 40 points off her 10 handicap (reduced now to 9.9) and not expecting to be beaten, but wait! No, here comes Jo, exploding into the clubhouse and continuing her good form, with a magnificent 44 points and cutting her handicap by 2 shots.

Monday 25th Peggy Marshall Cup Final

Both pairings, Kay & Jill B & Chris & Judith had been in contention for the final straight off, with everything going to plan. In the most capricious of weather conditions the match took off and pretty close all the way, but Kay & Jill finally snatched the match taking the 15th & 16th holes away from their competitors ending with a 2&1 victory. It was a pleasure for me to referee the match.

Wednesday 27th Extra Stableford

Only three played out of the six who entered. Weather conditions were not good to start. Overall winner: Collette 29 pts (R.O.)

THE PERFECT GOLF SWING

Address the ball with a confident air
Grip your club gently, but waggle with flair
Keep your head still; an immovable sphere
Do what you must to keep your mind clear.

Tuck in that elbow, keep the other arm straight
Think of your hips as a smooth-swinging gate
Balance your stance and when all's right below
Bring the club back, not too fast, not too slow.

A gentle exhale is just the right thing
To begin the flow of your downward swing
Follow through as you finish your pivot
Then pray that your ball goes at least past your divot!
