**Hérons' Reach GC Senior Section
Captain's Charity Day**

Introduction

The Senior Section Captain's Charity event/ Competition is an annual event, built into the regular competition programme. This year Captain John (Bozzy) Bostock asked for support for his chosen charities, charities that are close to his heart.

Blood Cancer Research UK

and

Blood Cancer Awareness Month 2019

"Blood Cancer Awareness Month 2019. Throughout September we will be sharing stories of people affected by lymphoma to show how common this cancer is and to explain how we support people affected. Every 27 minutes one of us is diagnosed with lymphoma and so we want everyone affected to know that we are here for them."

On the day, a wonderful £420 was raised for 2 cancer charities. The competition was a medal won by Captain Bozzy; the prize winners generously donated their prizes to the charities. The prize fund was self-generated/ donated by the Senior Section and provided for prizes down as far as 12th place. Additional prizes were 4 nearest the pins, 2 nearest the pin in 2 and two longest drives. The prize for best dressed golfer went to Jimmy Horsburgh (perhaps only seniors will see the funny side of that!!!!).
