

Hearts Together

The Clem Spencer Trophy, formerly Cardiology Day, was held at the Elfordleigh on Saturday 28th September in aid of Hearts Together (formerly Heartswell), our local Heart charity.

It was the 25th anniversary of this event, which had special significance this year with the sad passing of Clem Spencer, a longstanding supporter of the charity and its Chairman for over 10 years. Over the years Clem had raised over £50,000 through this event. Clem was also a Captain, Chairman and President of the Elfordleigh Golf Club.

Very many thanks to all the golf members and guests that played on the day. 73 members and 14 guests played in what was generally good weather. The last group did catch the start of the rain on their last couple of holes. In total £4,000 was raised for Hearts Together. A big thank you to everyone that contributed to the event.

Clem's son Neil presented the prizes to the overall winner and best Guest Ryan Dawe with 41 points, winning the coveted Red Fleece (see pic).

Best Member was Lee Jones with 40 points and Ian Jolliffe was best Vet with 37 points. The front 9 was won by Kyle Pepper with 20 points and best back 9 was Ian Coles with 24 points. There were 14 Two's receiving £8.67 each through the golf shop.

Nearest the pin on the 2nd hole was Andy Williams. Greg Lang was nearest on the 6th hole and Mark Lenthal was nearest on the 10th. Longest drive on the 14th was won by Mike Terry. All winning Amazon vouchers donated by Cristie Data.

Special thanks to all the event sponsors for the day who included:
