SAT 17 AUG	G Hillson Trophy (Bogey)	HDID/Touchscreen from 27/07 - 09/08

Hewitt & Muir Medal

You should all be familiar with the format of this competition by now.

There are six medals during the summer with your best four gross scores counting towards the Muir Medal, and your four best nett scores counting towards the Hewitt Medal.

On Saturday, the fourth of the six medals for 2019 takes place.

Mark Stevenson won the August medal last year, his nett 61 held off the challenge of Eddie McDermid and Murray Anthony by one shot.

Coincidentally, Eddie and Murray went on to finish first and second respectively in the final Hewitt Medal standings for the year.

Ladies Open Tri-Am

The final Ladies Open competition of the season takes place on Sunday with only a couple of early morning times remaining for late entries in the Tri-Am.

Last year's winning score was 130, recorded by a trio of Lady golfers from Ranfurly Castle GC, while Aberdour's representation amongst the prizes was restricted to Marilyn Ritchie and Pam Brannan who featured for the team who finished 4th.

In 2017, the winning score was slightly lower at 128 and the successful team included then Aberdour member Millie Douglas along with playing partners from Dunblane GC and Bonnybridge GC.

Good luck to everyone taking part and fingers crossed for some decent weather.

Tyler Trophy (Greensomes)

Steve Higgins and Ann Matheson will defend their Tyler Trophy on Friday evening in the Mixed Greensomes competition where Gents play from the yellow tees and Ladies play from the red tees.
