

Introductory Simulator Packages

The simulator will cost £20.00 per hour to rent out.

You can use it to play golf any of the 170,000 courses available, or work on your game using the driving range technology that allows you to work on your club control.

*We are offering a **limited** number of discounted packages prior to the launch of the Swing room, please contact Simon if you are interested.*

Par 5 hours for the price of 4 hours **£80.00**

Birdie 10 hours for the price of 7 hours **£140.00**

Eagle 20 hours for the price of 15 hours **£270.00**

The hours can be spilt up any way you wish and your data will be saved on the system for the next time you use the room.

You can buy the packages individually or team up with friends to enjoy a round together.
