Thank You

Dear Members of [East Horton GC](#)

Thank you so much for raising £213.00 from your golf day for the Poppy Appeal Golf fund. This is hugely appreciated and goes towards the work undertaken by the Royal British Legion throughout the UK for those who have served their country, in times past and closer to the present.

I do hope that you will continue to be involved in the golf programmes each year.

Once again thank you for your wonderful generosity.
