How does it work?

The way you invite playing guests to the Club is changing this year and green fee charges for visitors who wish to play the course are increasing. This includes Member guests and casual green fee players.

The Club is offering you the Member the opportunity to purchase discounted green fee tickets in advance this year. Normally this opportunity will be until the end of January however, because it is new this season the deadline has been extended to Monday 18th March 2019.

Books of 6 tickets (maximum 2 books per member) can be purchased at a 33% discount of the new Member-Guest rate of £25 per round. This equates to £16.66 per round.

Please note these books of tickets must be used during the year of purchase and cannot be transferred into the following year.

The books will be on sale in the main Office and Professionals Shop, each book is numbered and will be personally allocated to you.
