Dear Andrew,

Hi. I am John Glynn from Romiley Golf Club. I was at the match yesterday with my mate, Bob Blundell, who looks after the Juniors at Romiley.

I have attached a photo of your excellent team who had a thoroughly deserved victory over our Juniors.

They were a credit to your golf tuition but, more importantly, they were a credit to Reddish Vale Golf Club.

They were a team!! All interested in each other's match. They were sociable, outgoing; a delight to be with.

This doesn't just happen!! Well done.

Would you be kind enough to provide the names of everybody on the picture. A report and this photo will go into our next newsletter due to come out towards the end of the first week of July. It will be on our web site under "News." A hard copy is provided for those members still in the 20th century!! I will make sure you get a hard copy.

Yours, in golf

John
