

Hello Ladies,

**The Sunday Driver** went really well and the weather was kind to us on both days. It was a great time of fun and fellowship. The Oulton Hall Marshall of the course commented on how happy and smiling the Ladies from Cleethorpes all looked. I am very grateful to all of you for making this a very special and enjoyable weekend. My sincere thanks to Margaret Quantrill who helped with the organisation and booking, to my Vice Captain Jan Williams for her brilliant support in sorting out the score cards and Anne Lambert and Jude Livingstone for organising the Sunday evening fun games and to Louise Emberson for her help too. Vernon wasn't too sure that he could cope with all the Anne Poultney's who stood on the first tee for the photograph. (All the Ladies wore a mask of my face). Arhhh!

- We are very fortunate that Mike Read donates prizes for the Hyundai Medal, which we played for on Wednesday and are grateful for his generosity and continued support. He was delayed slightly, so sent his colleague Tom to present the prizes. Mike arrived shortly after the presentation and made comments regarding his good association with the Ladies of Cleethorpes and looked forward to coming again next year.

The winners were:-

1<sup>st</sup> Louise Emberson 73 points  
2<sup>nd</sup> Gwen Farmery 74 points  
3<sup>rd</sup> Gill Kapka 75 points

Thank you all for playing and see you all next week for the Golden Jubilee Trophy.
