

Hello Ladies

- What a fantastic turnout for the Cladingbowl Rose Bowl trophy. Forty-three ladies played today, three played the alternate day (last Sunday) and two played nine holes. It was a delight to welcome Patricia Allison, daughter of Mrs Cladingbowl's to present the prizes. It is wonderful that these traditions are kept up. Mrs Cladingbowl was Captain in 1959 and donated the Rose Bowl so for Patricia to come from Lincoln to be with us is a great honour - To top it all the weather was good.
- A million thank you's to all those of you who have donated prizes for the Charity Guest Am/Am next Wednesday, I am overwhelmed by your generosity. Hopefully the ladies who have promised cakes for the halfway house will remember to bring them. The cost of the meal next week will be £10. – No change of clothes unless you want to.
- Our A team played a home league match against Elsham A last Monday. This time Cleethorpes came second but keep positive for the next league match against Elsham B next month.
- Our good wishes go to Gill Kapka who has injured her finger and to Pauline Barratt who is having an operation on her hand.
- Now for this week's results:-

1st Laretta McKinnon 38 pts (on countback)

2nd Helen Austin 38 pts (played on the alternate day)

3rd Jan Williams 36 pts

Nine hole winner was Pauline Barratt.

Congratulations to all the prize winners and thank you all for playing.

The Blue Box wasn't won this week and will be a roll over. I am grateful to my Vice Captain Jan Williams for her diligence with the Blue Box.
